

Data transmission plans for PIE1023, PIE1051 and PIE1061 trail cameras

If you have more than one camera, you must buy a separate plan for each one.

MONTHLY PLANS

20 MB About 400 photos (640 x 480 resolution)	3,99 € /month	Commitment-free plans No activation fees
100 MB About 2 000 photos (640 x 480 resolution)	6,99 € /month	
350 MB About 7 000 photos (640 x 480 resolution)	9,99 € /month	

YEARLY PLAN

UNLIMITED Up to 84,000 photos/year (640 x 480 resolution)	99 € /year* or 8,25 € /month	Valid for 12 months No activation fees
---	---------------------------------	---

* The amount is paid in advance for 1 year.

PIE1023 and PIE1051: The NUM'AXES data SIM card does not allow you to receive photos via MMS but only via e-mail.

PIE1061: Photos are sent directly to a free mobile app (iOS/Android)

To configure your NUM'AXES SIM card, go to the numaxes.simhero.com website and create an account using the registration code written on the leaflet on which the SIM card is attached.
