

Data transmission plans for PIE1061, PIE1150 and PIE1152 trail cameras

If you have more than one camera, you must buy a separate plan for each one.

MONTHLY PLANS		
20 MB About 400 photos (640 x 480 resolution)	3,99 € /month	Commitment-free plans No activation fees
100 MB About 2 000 photos (640 x 480 resolution)	6,99 € /month	
350 MB About 7 000 photos (640 x 480 resolution)	9,99 € /month	
YEARLY PLAN		
UNLIMITED Up to 84,000 photos/year (640 x 480 resolution)	99 € /year* or 8,25 € /month	Valid for 12 months No activation fees

* The amount is paid in advance for 1 year.

PIE1061/PIE1150: Photos are sent directly to a free mobile app (iOS/Android)

PIE1152: The NUM'AXES Group data SIM card does not allow you to receive photos via MMS but only via e-mail.

To configure your NUM'AXES SIM card, go to the numaxes.simhero.com website and create an account using the registration code written on the leaflet on which the SIM card is attached.

All taxes included prices
